Control Line Event at Baughers, May 29

VOLUME 32 ISSUE 5

AMA CHARTERED CLUB #336

FOUNDED 1955

FROM THE DESK OF THE PRESIDENT

Our next meeting will be on May 3, 7:30, at the VFW.

We all sincerely regret the passing of long time member, Lloyd "DUTCH" Briggs, Jr. He joined WAM in 1981 and was very active in club events until he became ill some time back. We will miss Dutch and wish our sincerest sympathy to his family.

An article in the March 27 Evening Sun discusses the probability that Drones are disturbing wildlife, so here we go again. Also, if you are using Drones commercially you must have a Section 333 Exemption @ the FAA.

As many of you know, the road at Spiegel has been finished, and the Spiegel work day, on April 16, went very well. Many thanks to all the members who helped. And many thanks to Ron Oktavec for the great Chili. The work

day at Baughers was rained out and rescheduled for Saturday April 30.

We will not have a speaker at the May 3 meeting; instead following the business portion of the meeting we will have an auction of hobby related items, give you a chance to buy one more ticket for the raffle and then the drawing for the raffle box. All monies from both these events will go to the club.

Remember the May 29 Control Line Event at Baughers. Steve and Steve are putting this event together, and you may be asked to help in some way. They are having two circles and one of the visitors is bringing planes that can be flown by newcomers. Remember NO RC FLYING that day, there will be food and drinks for sale. Lets plan on a big day.

Yours Truly, Hoyt
