FROM THE DESK OF THE PRESIDENT

Our next meeting will be Tuesday, September 6 at 7:30 at the VFW Hall.

The August meeting went very well with the feature being a very informative talk by Mark Felloes on the possibility of him using Spiegel Field to teach responsible drone flying. All members present agreed to his morning program which like our Associate Member Control Line (CL) program will not interfere in any way with the R/C flying at Spiegel which is pretty much an afternoon event. I am very glad to see that WAM is becoming an "all around" model aviation club where space and flying times for the different model concepts do not interfere with each other. WAY TO GO GANG!!!

The August 14 FLY-IN at Baughner went well, although very poorly attended. I am sure the heat was a factor in that. (continued)

Excellent food by Dana. Thank you! Remember the food portion of our FLY-IN is supposed to be self supporting so don't forget to make a generous contribution.

We will have another raffle at the October meeting. Tickets will go on sale at the September meeting; same as last time \$2.00 each or 3 for \$5.00. This one will be more Hobby Oriented than the last one with at least one excellent .40 size engine and lots of other goodies. It will be well worth the price of a few tickets. All monies from ticket sales will go to the club only.

Have a good one, fly safely and see you at the meeting!

Sincerely, Hoyt
